Letter No.C.710/23-24 dated 5th December 1924 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore, Bangalore.

"With reference to your letter No.C.773/23-23 dated 25th November 1924 requesting the return of the Melkote Temple Revision proposals before the 5th instant, I have the honor to forward herewith a copy of French Rocks Sub Division officer's letter No.R.H.C.719/23-24 dated 2nd December 1924 explaining the stage at which the matter stands at present and expressing his inability to submit his report before the close of this month for reasons stated therein.

Under the circumstances explained by the Sub Division officer, the time asked for by him till the first week of next month for submission of his report seems reasonable, and I request you to kindly allow him time till then."

For Muzrai Commissioner

Letter No.R.H.C.719/23-24 dated 2nd December 1924 from the Sub Division Officer, French Rocks to the Deputy Commissioner Mysore District.

"With reference to your memo No.C.710/23-24 dated 27th November 1924 forwarding two petitions from certain servants of the Melkote temple alleging that some persons holding more than one appointment are hampering the smooth passage of the revision proposals etc., I have the honor to state that the proposals in question together with the connected records were sent to the Amildar 8 months ago and that the same were pending consideration with the Dharmadarsis till I took up the study of this question last month when I had been to Melkote in connection with Ashta Thirtha. The problem of revising the scale of expenditure bristles with many difficulties which require careful consideration and the solution of the same is rendred still more --- difficult by the opposition of those having vested interest in the -- temple and who would suffer as a consequence of the proposals being given effect to. Unfortunately during my stay there on the last occasion I was not able to complete the study of the whole question. I hope to take it up again in the 4th week of this month when I shall be --- going to Melkote in connection with the Huzur Jamabandy of that Hobli. As frequent consultation with the Dharmadarsis at every stage of the investigation is absolutely necessary to overcome opposition and make the proposal acceptable to all the persons interested. I shall not be able to submit the report before the closse of this month as the enquiry had to be conducted at Melkote itself. I would therefore request you to kindly grant time for the submission of the report till the first - week of the next month."
